■ SSAA Tayside Regional Exhibition: The Botanic Garden, Dundee

The bustling opening of the SSAA Tayside Group Exhibition "ARCHITECT'S ART" took place at the Botanic Garden Dundee on Friday evening 11th of July 2013. It was hosted by four of the six exhibiting architect-artists. (Below left) John Davie, John Picken, Angus MacDonal, and Andy Baxter. The high quality of the work displayed was reflected in an enjoyable, well attended show which unsurprisingly achieved successful sales and presents an excellent 'model' for other SSAA groups.
