SSAA WEB SITE www.ssaagallery.co.uk

We are planning to review and alter our web presence and we are keen to hear what members want out of the web?

Please view our existing web site: www.ssaagallery.co.uk and comment (constructively). Should we develop our 'gallery' with more members images? Should we try to set up an on-line sales outlet?

..is there a need for news, information timetables or reports for exhibitions.....???

please e-mail your observations to the secretary:- stuart@trinitygrove.demon.co.uk
